Such entity may reapply to the waiting list as new Show Management and if accepted shall be placed at the bottom of the list.

1.3.4 No more than two permanent show months may be transferred by Show Management to any one transferee. Additional show months being relinquished by Show Management shall be subject to the rules applicable to waiting lists. For example, Show Management having three permanent show months may transfer two show months to one transferee and the third month to a second transferee provided Show Management receives the consent required by Rule 1.3.3.

The horse show package shall contain the application form, the schedule of fees, the schedule of approved judges, a copy of the current GOHJA rules, and any other information considered helpful by the Horse Show Committee. In the event a show month is canceled and new Show Management has not accepted the show month by October 1st (of the prior show year), the Horse Show Committee Chairperson shall send the horse show package to the new Show Management as soon as practicable after acceptance of the show month, and in the event within the time that provides Show Management an opportunity to comply with the rules relating to the submission of the application and show sanctioning fees.

1.5 Show Date Procedures

1.5.1 Temporary and Permanent Show Lists – No one with a permanent show date can be on the temporary show list. Show Management wishing to conduct a sanctioned show must submit in writing a request to the GOHJA Board of Directors asking that its name be placed on the waiting list for temporary show months and/or the waiting list for permanent show months. No name shall appear on either waiting list more than once at any given time, although the name may

appear at the same time on the temporary show waiting list and the permanent show waiting list. Show Management shall accept or reject the show month offered within the reasonable time limit set by the GOHJA Board of Directors, taking into consideration the circumstances. If it does not accept the offered show month, it will automatically be placed on the bottom of the relevant list. The next name on the relevant waiting list will be contacted and so on until the offered show month is taken. If Show Management accepts an offered show month, and if it wishes to be considered for a different show month, it must reapply in writing and will be placed at the bottom of the permanent show waiting list. Acceptance or rejection of a temporary show does not affect the individual Show Management's place on the permanent show waiting list and the rejection of a permanent show month does not affect Show Management's place on the temporary show waiting list.

- 1.5.2 Show Management accepting a show date from the waiting list shall complete the horse show application form and submit it with the sanctioning fee to the Horse Show Committee Chairperson no later than the later of: (i) December 1st of the relevant show year; or (ii) the earlier of thirty (30) days after the date of acceptance of the show date or the show date.
- 1.5.3 Except as provided in Section 1.5.2, horse show applications (whether for temporary or permanent show months) shall be completed and filed with the Horse Show Committee Chairperson prior to December 1st of the show year. Show Management shall pay the show application fee upon submission of its show application forms. The show application fee is mandatory and nonrefundable. Notwithstanding the foregoing, and except as provided in Section 1.5.2, the application forms, together with the show application fee for the December and January shows, shall be submitted to the Horse Show Committee Chairperson no less than thirty (30) days before the show date. The Horse Show Committee is required to report to the Board of Directors, in writing, at the December meeting of each year a list of the sanctioned shows for that year. In addition, a copy of the show sanction applications will be attached to the minutes of

the Board meeting, by the secretary, for that December meeting.

- 1.5.4 Should Show Management wish to cancel a show month for one year rather than permanently, Show Management shall notify the Horse Show Committee Chairperson, in writing, more the ninety (90) days prior to the show date and pay a \$50.00 cancellation fee in addition to the show application fee. This show month will then be offered to Show Management on the temporary show waiting list.
- 1.5.5 In the event that Show Management cancels a sanctioned show within ninety (90) days of the show, Show Management will be required to pay a \$100.00 cancellation fee in addition to the show sanctioning fee. Further, Show Management shall lose its show month for the following year and incur a \$300.00 fine unless good cause is shown to the Hearings Committee. Good cause includes, but is not limited to, acts of God, sale of show grounds, or family crisis.
- 1.5.6 Any temporarily canceled show month could then be temporarily picked up by other Show Management with the understanding that it would hold that show for that year only. Temporary shows shall be offered to show management in the order in which they appear in the temporary show waiting list. If the original Show Management does not take back its show month the following year, it shall forfeit the show month and that month will be offered to the first name on the permanent show month waiting list.
- 1.5.7 Show Management shall be permitted to keep and shall be responsible for conducting a sanctioned show for any recognized show months assigned to it, except as otherwise provided in these rules. In the event Show Management decides to terminate a show month, it must notify the Horse Show Committee Chairperson, in writing, more than ninety (90) days in advance of the show, or Show Management shall be fined \$300.00. For purposes of this Section, the termination of the show month means the permanent termination of the show month, not the relinquishment for one year.

1.5.8 Show Management may not have more than two (2) permanent show months in any show year. Show Management having more than two (2) show months per show year as of December 1, 1990 shall not lose any show months by reason of this rule. However, if Show Management having more than two (2) show months per show year shall lose a show month during a year for any reason other than voluntary cancellations in compliance with Rule 1.5.4, it shall not regain such show month as long as it has at least two (2) other show months for the show year. In the event that there is no Show Management eligible and willing to hold a show other than Show Management who already possess at least two (2) show months per show year, such Show Management may have the show month in question as a temporary show month for that year. Such Show Management shall then be moved to the bottom of the temporary show waiting list for the next year.

1.6 Show Manager

1.6.1 All Show Management is required to hire a qualified horse show manager (“Show Manager”). A list of qualified horse show managers shall be provided to Show Management by the Horse Show Committee Chairperson. This list must be provided to Show Management not less than ninety (90) days prior to the proposed show date.

1.6.2 A Show Manager must be designated in the prize list. The Show Manager’s responsibility is to run the horse show at all times and be available to exhibitors and the steward. Show Management’s failure to comply with this rule will result in a \$25.00 fine payable within fifteen (15) days of the show and/or the show may be reviewed by the Hearings Committee.

1.7 Sanctions

1.7.1 It is the responsibility of Show Management of sanctioned shows to know and abide by show standards and by GOHJA rules. Failure of Show Management to comply with these rules shall subject Show Management to the review of the Hearings Committee. Penalties that may be imposed shall include, without limitation, fines, suspension or loss of membership, probation, and temporary and permanent loss of

shows. These penalties may be imposed at the discretion of the Hearings Committee in addition to penalties, if any, provided in a specific rule. Rule infractions that are repeated in one show year will be sent to the Hearings Committee for review.

- 1.7.2 Failure of Show Management to pay fines or fees when due will result in an additional fine of \$25.00. Thereafter, a \$25.00 fine will be levied every thirty (30) days until all indebtedness of that Show Management is paid. In the event the indebtedness is not paid within sixty (60) days of the due date, the fined Show Management is subject to further review by the Hearings Committee. Penalties for failure to pay fines within the sixty (60) day period may include, without limitation, additional fines, suspension, and temporary or permanent loss of show. All unpaid fines or fees shall be subject to further review and penalties by the Hearings Committee each sixty (60) days so long as the same shall remain unpaid.
- 1.7.3 Show Management, or a qualified representative, must attend Board of Directors meetings. If Show Management (or representative) misses as many as three (3) Board meetings within a show year, they will be subject to review by the Hearings Committee. Penalties may include, without limitation, fines, suspension, and temporary or permanent loss of shows.
- 1.7.4 Show Management and Horse Show Managers must be a GOHJA member in good standing as of December 1st of the current show year.

1.8 Show Fees

- 1.8.1 Show Application Fee: The show application fee shall be 1/10th of the annual premium for the liability insurance that may be carried by the GOHJA from time to time, plus such additional amount as may be charged by the insurance carrier (i) to name Show Management as an additional insured, and (ii) for additional days or events relating to the show which exceed the basic coverage. The Treasurer shall estimate the cost of the insurance and shall advise Show Management of

the estimated amount at the time the show application is made. A \$25.00 non-refundable fee shall be paid when the show application is made. This will be applied toward the total show application fee due. Show Management shall pay the balance of the show application fee later determined to be due, within ten (10) days of demand, but in no event later than the date of the show.

1.8.2 Sanctioning Fee: Show Management shall pay to the GOHJA a fee equal to ten (10) percent of all entry fees received for the show. For this purpose, entry fee means fees charged for all sanctioned classes, and specifically excludes warm-up, stall charges, paramedic fees and the “payback” for classic or other payback classes. Show Management shall pay the show fee to the Treasurer within five (5) days after the termination of the show. Failure to make timely and full payment shall result in a \$100.00 fine and such other sanctions as may be imposed by the Hearings Committee. This sub-section shall be effective December 1, 1990.

1.8.3 Show Administration Fee – Show Management shall pay to the GOHJA an Administration Fee equal to \$125 per show. This fee will cover the GOHJA administration costs. Show Management shall pay the show fee to the Treasurer within five (5) days after the termination of the show. Failure to make timely and full payment shall result in a \$100.00 fine and such other sanctions as may be imposed by the Hearings Committee. This sub-section shall be effective with shows prior to March 1st required to pay fee by March 15th, 2017.

1.9 Liability Insurance

1.9.1 The GOHJA may, but is not required to, carry liability insurance coverage insuring the GOHJA in amounts of \$1,000,000.00 per occurrence/aggregate with Show Management named as additional insureds with respect to their specific shows. In the event the GOHJA does not carry such insurance, it shall be the responsibility of Show Management to carry such liability insurance insuring the GOHJA and the Board of Directors and Show Management for no less than \$1,000,000.00 per occurrence/aggregate. The

coverage shall cover all show days as well as warm-up the day before the show if a warm-up is held at the show site.

- 1.9.2 Proof of such liability insurance (if not carried by the GOHJA) must be submitted in writing to the Horse Show Committee Chairperson at least thirty (30) days prior to the show. The Horse Show Committee Chairperson shall notify the Hearings Committee Chairperson of any infraction of this rule. The Hearings Committee will impose such sanctions as it considers appropriate, which may include, without limitation, permanent loss of the show month.

1.10 Farrier

GOHJA sanctioned horse shows are required to have a farrier on the show grounds during all sanctioned classes. Failure to have a farrier will result in a \$150.00 fine.

1.11 Paramedic

- 1.11.1 **Show Management must have in attendance two certified Emergency Medical Technicians (EMTs), or Paramedics** with the following equipment: portable phone, **and** first aid equipment.

- 1.11.2 Arrangements for the **EMTs/Paramedics** are made through the appropriate County channels (ex: Seminole County Fire Department).

- 1.11.3 **EMT Fee** - One **EMT** fee will be charged per entry number (horse/rider combination). A second rider for that entry number may only be a professional and will not be charged a second **EMT** fee for that entry.

- 1.11.4 If a competitor rides prior to the arrival of the **EMT/Paramedic** they ride at their own risk.

1.12 Prizes

GOHJA will provide individual medals for the winners of the Medal, Mini-Medal and Pony Medal classes at the year-end awards banquet. (Note: Rule 4.9.5 specifies that shows will provide ribbons and trophies.)

1.13 Prize List

A GOHJA sanctioned show will be responsible for ensuring that every member of the GOHJA receive a show prize list at least fourteen (14) days in advance of the show. Prize lists may be distributed in an electronic- or hard-copy format. A fine of \$25.00 for the first offense will be imposed upon Show Management for failing to distribute their prize lists on time. The second offense will incur a \$50.00 fine. Should the offense continue within the same show year, Show Management will be reviewed by the Hearings Committee. These fines must be paid within fifteen (15) days of the show or the show may be reviewed by the Hearings Committee for additional sanctions.

- 1.13.1 The Prize List shall contain the following:
- A GOHJA membership application printed in its entirety in typeface large enough to be legible.
 - Entry blank, which must contain the statement in Rule 1.19.3.
 - Names of the judges.
 - Name of the steward or names of the stewards committed for that show and designating the head steward.
 - Names of other competition officials.
 - Name of the course designer.
 - Name of the veterinarian and, if on call, the phone numbers where he can be reached during the competition.
 - A statement that every rider, owner, lessee, and trainer must be a member of the GOHJA and that show memberships are available for a fee of \$25.00 for those who are not annual members.
 - Class descriptions. Detailed specifications must be given for any class offered which is not described in the GOHJA rules.
 - Entry fees and prizes.
 - Schedule of classes.
 - Starting time of warm-up and starting time of the show.
 - Date and location of the show.
 - A map and/or directions to the show grounds.
 - A statement describing the availability and cost of stabling.
 - The full page advertisement for Stockman's Harness and Saddle Shop.

1.13.2 Show Management will be fined \$50.00 for the omission from, or material error in, the prize list of any item described in sub-section 1.13.1. If there is more than one omission or material error, or if Show Management habitually violates any part of this rule, Show Management shall be subject to additional sanctions as may be imposed by the Hearings Committee.

1.14 Judges

1.14.1 GOHJA sanctioned shows shall be judged by an USEF rated judge or a GOHJA sanctioned judge. GOHJA will sanction judges not rated by the USEF by maintaining a list of those judges approved by the Horse Show Committee.

1.14.2 This list will be monitored and distributed by the Horse Show Committee Chairperson. Only in the case in which a hired judge is unable to appear after prize lists have been mailed, may a judge be added, for a specific show, to the list of GOHJA approved judges by a petition of a minimum of six (6) GOHJA Board Members prior to the sanctioned show. This petition must then be presented to the Board of Directors at the board meeting immediately following that sanctioned show, for approval and addition to the then current approved judges list.

1.14.3 Requests for additions and deletions from the current approved judges list must be presented at a Horse Show Committee meeting.

1.14.4 Show Management will incur a \$300.00 fine for failure to hire a sanctioned judge. The fine shall be payable within fifteen (15) days after the show or Show Management will permanently lose that show month.

1.14.5 The same judges may not be used to judge consecutive shows. This rule may be waived by a majority vote of the President, Horse Show Committee Chairperson and Stewards Committee Chairperson. In the event this rule is waived, Show Management shall require the judge to judge the ring holding

classes that are substantially different from those he/she judged at the immediately preceding show.

1.14.6 Jumper classes may be judged by one or more qualified jumper judges in lieu of an USEF rated or GOHJA approved judge. Qualified jumper judges are those judges with knowledge of the jumper rules who have been approved by the Board of Directors prior to the show. GOHJA shall maintain a list of qualified jumper judges.

1.14.7 The USEF rule on conflicts of interest apply to all judges at GOHJA shows.

1.15 Show Results

Show Management must send its show results plus judges' cards and class order sheets to the GOHJA Recording Secretary within one (1) week of the closing of all shows except May and November, which must be sent within forty-eight (48) hours of the close of the show. Show Management will be fined \$25.00 for failure to meet the one (1) week deadline, and \$100.00 for failure to meet the May or November deadline. Show results which are mailed (postmarked) to the Recording Secretary within the deadline meet the time requirement. The Recording Secretary will be required to keep show results for one year. Results must be submitted on official GOHJA point sheets or other method which is acceptable to the Recording Secretary. Show Management will be required to retain and maintain all its show records (judges' cards, scorecards, etc.) from a sanctioned show for a period of one year from the date of the show.

1.16 Stewards

1.16.1 GOHJA sanctioned shows are required to have a GOHJA steward present at the show to answer questions and interpret GOHJA rules. A steward of a sanctioned show is a representative of the GOHJA. Stewards will be retained by GOHJA. The Chairperson of the Stewards Committee will be responsible for assigning Steward(s) for each GOHJA sanctioned show and for informing Show Management of the assignment. If an impartial steward is not available, a stewards committee of three will be assigned with one steward acting as head steward. The head steward will receive all

inquiries and protests. The head steward of the stewards committee must be listed in the prize list as such.

- 1.16.2 The same steward may not officiate consecutive shows for the same Show Management, nor may he/she officiate two consecutive show months. The Stewards Committee Chairperson will be allowed to make exceptions to this rule.
- 1.16.3 Stewards will be paid by GOHJA at consistent rate set by the Board of Directors. The Board of Directors will periodically review this rate. In the event a stewards committee is used, the payment will be split between the members of the committee.
- 1.16.4 The Show Steward will be on duty from the opening of the rings for warm-up to close of the show.

1.17 Exhibitor

Exhibitor means the owner of a horse (or lessee of a horse, if leased) when only the merits of the horse are to be considered. In all other respects, the term Exhibitor refers to the rider.

1.18 Exhibitor's Past Due Accounts

- 1.18.1 To be eligible to participate in a show, a member must have settled any and all indebtedness to GOHJA. The exhibitor is responsible for all entry fees. The ambulance/paramedic fee shall be the responsibility of the rider. The stall fee and warm-up class fee shall be the responsibility of the owner (or lessee if leased), unless the horse is shown only in equitation classes, in which case these fees shall be the responsibility of the rider. Show Management will be responsible for compiling a list of their past due accounts from their show. This list will be passed on to the Management of the next approved show, and must be received at least one hour prior to the starting time of the next show. Show Management must notify the Exhibitor of this indebtedness at least one week prior to the next sanctioned show. Any exhibitor who fails to pay his/her indebtedness by the date of the next sanctioned show will not be allowed to participate at any sanctioned show until the indebtedness is resolved, and will lose all points from the

show at which the indebtedness was incurred. If this indebtedness remains unresolved, Show Management must notify the Recording Secretary within forty-eight (48) hours after the close of the next sanctioned show for removal of the points earned at the show in which the indebtedness was incurred. Notice shall then be sent to the exhibitor by the Recording Secretary that this has been done.

- 1.18.2 For points to count for mid-year awards, any indebtedness incurred at the May show must be paid within forty-eight (48) hours of that May show. Show Management will notify exhibitors of any outstanding indebtedness within twenty-four (24) hours of the close of the May show. To be eligible for year-end awards, indebtedness occurred at the November show must be paid within forty-eight (48) hours of the November show; Show Management will notify exhibitors of any outstanding indebtedness within twenty-four (24) hours of the close of the November show.
- 1.18.3 It is the responsibility of Show Management to comply with these procedures in collecting indebtedness. Failure of Show Management to comply with these rules does not prohibit the exhibitor from participating at a show that has already begun.
- 1.18.4 Exhibitors, agents, trainers or parents of a Junior exhibitor may file a protest with the show steward or the Hearings Committee Chairperson for any violation of this rule.

1.19 Entries

- 1.19.1 Horses/ponies and riders may not show and numbers shall not be given out by the Show Secretary until all required signatures are obtained on the entry form.
- 1.19.2 Every rider, owner (or lessee if leased), trainer or their respective agents must sign an entry form. In the case of a minor, the minor's parent, guardian or agent of their parent or guardian shall sign the entry form. If any of the above persons fail to sign the entry form, every rider and every owner (or lessee) of a horse/pony entering the ring shall be deemed to have accepted and be bound by the rules of the show and

GOHJA, and shall be deemed to have made the agreement set forth in the subsection 1.19.3.

1.19.3 The entry blank for each recognized show must contain the following statement:

EVERY ENTRY AT A RECOGNIZED SHOW SHALL CONSTITUTE AN AGREEMENT AND AFFIRMATION THAT ALL PARTICIPANTS (WHICH INCLUDE, WITHOUT LIMITATION, THE OWNER, LESSEE, TRAINER, MANAGER, AGENT, COACH, RIDER AND THE HORSE/PONY): (1) SHALL BE SUBJECT TO THE CONSTITUTION AND RULES OF THE ASSOCIATION AND THE LOCAL RULES OF THE SHOW; (2) REPRESENT THAT EVERY HORSE/PONY AND RIDER IS ELIGIBLE AS ENTERED; (3) AGREE THAT THE RIDER AND THE OWNER/LESSEE AND ANY OF THEIR REPRESENTATIVES ARE BOUND BY THE CONSTITUTION AND RULES OF THE GOHJA/USEF AND THE SHOW WILL ACCEPT AS FINAL THE DECISION OF THE HEARINGS COMMITTEE ON ANY QUESTION ARISING UNDER SAID RULES AND AGREE TO HOLD CLARCONA HORSEMAN'S PARK, THE SHOW, THE GOHJA, THE USEF, THEIR OFFICIALS, DIRECTORS AND EMPLOYEES HARMLESS FOR ANY ACTION TAKEN; (4) AGREE THAT THEY PARTICIPATE VOLUNTARILY IN THE COMPETITION FULLY AWARE THAT HORSE SPORTS AND THE SHOW INVOLVE INHERENT DANGEROUS RISK AND BY PARTICIPATING THEY EXPRESSLY ASSUME ANY AND ALL RISKS OF SERIOUS INJURY OR DEATH, AND BY PARTICIPATING THEY EXPRESSLY ASSUME ANY AND ALL RISKS OF INJURY OR LOSS, AND THEY AGREE TO INDEMNIFY AND HOLD CLARCONA HORSEMAN'S PARK, THE GOHJA USEF, THEIR SHOW AND THEIR OFFICIALS, DIRECTORS, EMPLOYEES AND AGENTS HARMLESS FOR ANY INJURY OR LOSS SUFFERED DURING OR IN CONNECTION WITH THE SHOW, WHETHER OR NOT SUCH CLAIM, INJURY OR LOSS RESULTED, DIRECTLY OR INDIRECTLY, FROM THE NEGLIGENCE ACTS OF OMISSIONS OF SAID OFFICIALS, DIRECTORS, EMPLOYEES OR AGENTS OF CLARCONA HORSEMAN'S PARK, THE GOHJA, USEF OR SHOW.
WARNING - Under Florida law an equine activity sponsor or equine professional is not liable for an injury to, or death of, a participant in equine activities resulting from the inherent risk of equine activities.

Entry Agreement

By entering a GOHJA sanctioned competition, and signing this entry form as Owner, Lessee, Trainer, Manager, Agent, Coach, Handler, Rider or Parent/Guardian, and on behalf of myself and my principals, representatives, employees and agent, I agree and affirm that: (1) I shall be subject to, and bound by, the Constitution, Bylaws and Rules of the GOHJA, the USEF and the local rules of the Competition, and will accept as final the decision of the Hearings Committee on any question arising under said Rules and agree to hold the Competition, the GOHJA, the USEF, Clarcona Horseman's Park, their officials, directors and employees harmless for any action taken under the Rules; (2) I represent that every horse/pony and rider I have entered is eligible to enter and/or participate and is eligible as entered; (3) I agree that as a condition of, and in consideration of acceptance of entry, the GOHJA and/or the Competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the competition for promotion, coverage or benefit of the Competition, sport or the GOHJA. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. (4) The construction and application of the GOHJA Rules are governed by the laws of the state of Florida and any action instituted against the GOHJA must be filed in Florida.

Release, Assumption of Risk, Waiver and Indemnification

I AGREE, in consideration for my participation on the Competition, to the following: (1) I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, handler, lessee, owner, agent, coach, trainer or parent/guardian of a junior exhibitor. I am fully aware and acknowledge that equine sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering or death ("Harm"). (2) I AGREE to release the GOHJA, Clarcona Horseman's Park and the Competition from all claims for monetary damages or otherwise from any Harm to me or my horse and for any Harm caused by me or my horse to others, even if the Harm resulted, directly or indirectly, from the negligence the GOHJA, Clarcona Horseman's Park or the Competition. (3) I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the GOHJA, Clarcona Horseman's Park or the Competition. (4) I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the GOHJA, Clarcona Horseman's Park and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse at the Competition. (5) I have read the GOHJA Rules about protective equipment and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the GOHJA strongly encourages me that I do so. If I am a parent or guardian of a junior exhibitor, I consent to the child's participation and AGREE to all of the above provisions to assume all of the

obligations of this Release on the child's behalf. (6) I AGREE that the GOHJA, Clarcona Horseman's Park and the Competition, as used above, includes all of their officials, officers, directors, employees, agents, personnel, volunteers and affiliated organizations.

- 1.19.4 Failure to print this statement on every entry blank and to require that such entry form be signed shall constitute a violation of the rules and render Show Management liable to penalty under USEF Article 707 as it may be amended from time to time.
- 1.19.5 Every rider, owner, lessee, agent or trainer participating in a sanctioned show is required to be a member of the GOHJA. Lessees and agents are considered owners in connection with this membership requirement. In the event a person does not desire an annual membership in the Association, the person may obtain a show membership, good for the duration of the particular show. The fee for the show membership shall be \$25.00. Membership fees collected at the show shall be promptly turned over the Show Secretary for forwarding to the Treasurer. Show Management will be fined \$50.00 for failure to print this rule on every entry form. Show Management shall be responsible for having membership applications available at the show. Show Management shall be fined \$50.00 for failure to have membership applications available.
- 1.19.6 A horse/pony may not be brought on to the grounds where a sanctioned show is being held unless the owner/lessee is a member of the Association. Further, a person may not mount a horse/pony on the grounds where a sanctioned show is being held unless such a person is a member of the Association. This rule shall not apply to a horse/pony regularly stabled at such show grounds.

1.20 Benefit Show

GOHJA may request bids for its benefit show and may accept any bid that the Board of Directors decides to accept at its discretion.

1.21 November Show

The November show shall be held more than one week before Thanksgiving (i.e. at least two weekends prior to Thanksgiving) unless this rule is waived by the Board of Directors.

1.22 Water

A water cooler and drinking cups must be provided at all in-gates during warm-up and all classes.

1.23 Security

GOHJA sanctioned shows are required to have security on the show grounds from 10:00 PM until 5:00 AM every night preceding a show day. Security must be chosen from the list provided in the horse show package or approved by the horse show committee. Failure to do so will result in a \$150.00 fine.

1.24 Standards for Jumps

1.24.1 No PVC rails are to be used in the practice areas.

1.24.2 PVC standards, but not rails, are acceptable in the show ring with standardized holes and pins.

1.24.3 Only regulation size cups and pins shall be used. No flat cups are to be used to hold the upper element in hunter classes.

1.24.4 Flower boxes, or facsimile, and flowers or greenery, shall be placed at all hunter jumps on course. It is also suggested that, as much as possible, plants or similar decorations be put at the standards as well and tied securely.

1.24.5 Reasonably fresh paint is to be used.

1.24.6 All jumps are to be in good order with no protruding nails or broken wood.

1.24.7 All standards are to have sturdy bases, and are to stand straight.

1.24.8 Picket-type gates must have rounded tops.

1.24.9 Any angular construction must be open enough to disallow the entanglement of a horse's leg.

- 1.24.10 A minimum of four (4) rails is to be at each practice jump.
- 1.24.11 Pins must be strong, such that they do not bend under pressure, and should be selected with an eye towards safety.

Article II - Conduct of Sanctioned Competitions

2.1 Helmets

All riders, when mounted anywhere on the show grounds during a GOHJA sanctioned horse show, are required to wear properly fastened protective headgear which meets or exceeds ASTM/SEI standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Riders which are found to be in violation of this rule shall be required to immediately dismount and remain dismounted until their headgear is in compliance.

2.2 Hazardous Footing

In the case of inclement weather or hazardous footing, the steward may, with the consent of the judges, permit the use of bell boots and/or leg wraps, shin boots or other leg supports and may permit the lowering of fence heights.

2.3 Warm-up

2.3.1 Show Management shall publish the starting time of warm-up and the starting time of the first classes of the day in the prize list for the show. Warm-up shall terminate promptly at the time scheduled for the start of the first classes. In the event warm-up does not start when scheduled (or is interrupted) for reasons beyond the control of Show Management, such as failure of the paramedic to arrive timely, inclement weather, or other emergency, then warm-up may be extended past the show start time with the consent of the Show Steward and the Show Manager. Warm-up may not be extended for any period of time beyond the period of the approved delay. In the event the first classes of the day do not start at the published starting time (as extended as permitted above), Show Management shall be fined \$250.00. For this purpose, warm-up shall not be considered the first class of the day. In no event shall warm-up start before sunrise.

2.3.2 Horse Show Management or a representative must be present on the show grounds during warm-up.

- 2.3.3 Horse Show Management must provide sufficient supervision for all show rings conducting warm-up.

2.4 Weather Conditions/Show Delays and Termination

- 2.4.1 Inclement Weather - After consulting with Show Management and the Judge, the Show Steward has the final authority to delay and/or stop the show due to inclement weather.

- 2.4.2 Sunset/Lighting - All classes shall terminate at the official hour of sunset for Orlando, Florida unless adequate artificial lighting providing full and complete visibility is provided. The determination that adequate lighting exists shall be made by the Show Steward after consulting with Show Management and the Judge.

2.5 Jogging

Jogging of horses is not required at a GOHJA sanctioned show. Judges should be advised of this rule and they should be advised to look for soundness at the beginning and end of the course.

2.6 Order of Classes
